CODE OF CONDUCT

AS A MEMBER OF THE CONQUEST BOYS CLUB:

- I will make every effort to act as Christ would want me to in the way I conduct myself and how I treat other participants, youth leaders, adult mentors and guests.
- I will treat others with respect and dignity. This means, that I will not offend others by my language or my actions.
- I will not be in possession of any material of a sexually explicit nature, nor will I engage in any conversation that violates the dignity of any persons, both male and female.
- I will not engage in any physically aggressive behaviour with anyone at the club. Instead, I will take any concerns I have directly to either a Youth Leader or Adult Mentor for resolution.
- I will listen and take turns when talking. I will be patient and not interrupt others while they are speaking.
- I will listen to and then obey all instructions given to me by an adult mentor or youth leader who is supervising the Club and its activities.
- I will not use or bring to any club activity substances that I know I should not possess or be under the influence of, such as alcohol, drugs or tobacco.
- I will look after any property that belongs to the club, and as well, respect the facility and any equipment that is used at our meetings. This includes, not littering and leaving the facility as clean as possible.
- I will make every effort to deepen my relationship with Christ by acting with humility and charity towards those around me, and as well, by being obedient to those in charge and adhering to the guidelines that have been established.

If participants do not follow the Code of Conduct, the consequences may range from warning, parental notification, or suspension from the club without refund. These consequences are based on the discretion of the Club President, Regional Director and Mission Network.
